#### Our advantage:

1. We produce various packaging boxes which are widely used in jewelry, watch, cosmetic, food & beverage, apparel and electronic products
2. Direct manufacturer established since 1999. Has self-own factory workshops and production lines with experienced workers.
3. Has professional designing group, can give you professional suggestions and sampling support.
4. Different techniques are available, including printing, hot foil stamping, embossing, debossing, UV coating, laser cutting, embroidery.

#### FAQ:

##### 1. Q: What information should I let you know if I want to get a quotation?

- 1) The box style (which you can choose from the normal box style according to the box shape picture)
- 2) The size of the production (Length\*Width\*Height)
- 3) The material and surface treatment.
- 4) The printing colors
- 5) If it is possible, please also provide with pictures or design for checking. Sample will be best for clarifying, if not, we will recommend relevant products with details for reference.

##### 2. Q: Can i get a sample before mass production?

A: Of course! The normal produce progress is that we will make the pre-production sample for you to check the quality and design.

The mass production will be started after we get your confirmation on the sample.

##### 3. Q: How long can i get the sample?

A: After receiving the sample fee and all the material & design being confirmed, the sample lead time is about 3 working days and express delivery will take about 3-5 days to your door.

##### 4. Q: How long is the mass production lead-time?

A: Usually 15 days, rush order is available.

##### 5. Q: What is your minimum order quantity?

A: As a general rule our MOQ is 1000pcs. The more quantities, the better the price.

##### 6. Q: Are you a manufacturer or a trading company?

A: We are a manufacturer in the printing & packaging area for more than 20 years. Right now we have more than 100 workers in our factory in Guangzhou. Our products comply with ISO9001: 2015, SGS and FSC.
