### What is Corrugated boxes

Corrugated boxes are made of fluted paperboard sandwiched between two flat liners. They are lightweight, durable, and customizable to various sizes and shapes. Widely used in shipping, storage, and retail industries, corrugated boxes provide cushioning and protection for the contents inside. Corrugated boxes have eco-friendly credentials, as they are produced from recycled materials and can be conveniently recycled once their use is over.

## Creating Branded Corrugated Boxes

Our sales team and graphic artists will analyze your product to help you finalize the type of custom printed apparel packaging that best suits your requirements. Our team will also work to create a highly visible and unique design for your boxes to both showcase your brand and to advertise your product.

In order to make your custom apparel boxes unique, we offer a full range of box types and finishing touches including:

One-Piece and Two-Piece Rigid Apparel Boxes

Folding Apparel Boxes

Pillow Apparel Boxes

Tuck Apparel Boxes

In addition, these boxes can be further customized by adding such features as see through windows, packaging inserts, embossed or foiled logos, and Spot-UV treatment for an extra luxurious touch. We are absolutely confident that we can find the right solution for your packaging requirements that your customers will also love.

Affordable apparel packaging accessories can enhance the presentation of your products while remaining cost-effective for small businesses. Affordable options to consider are:

**Tissue paper:** Lightweight and versatile, tissue paper can be used for wrapping, cushioning, and adding a touch of elegance to your packaging. It comes in various colors and can be customized with your logo or brand pattern.

**Kraft paper:** An eco-friendly and cost-effective option, kraft paper can be used for wrapping apparel gift boxes or as filler material to protect delicate products during shipping.

**Paper or fabric bags:** Reusable and recyclable fabric or paper bags are ideal to carry apparel products. They can be customized with your logo, brand colors, or patterns to create a cohesive brand experience.

**Custom stickers or labels:** Add a personalized touch to your packaging with custom stickers or labels featuring your logo, brand colors, or unique designs. These can be applied to product boxes, bags, or wrapping paper.

**Hang tags:** Attach hang tags to your apparel items to provide product information, pricing, and branding elements. Hang tags are inexpensive and can be made from various materials, like paper, cardboard, or fabric.

**Thank-you cards or inserts:** Include a small, personalized thank-you card or insert with care instructions, promotional offers, or information about your brand's story. It adds a personal touch and is inexpensive.
