### Features for bottle label

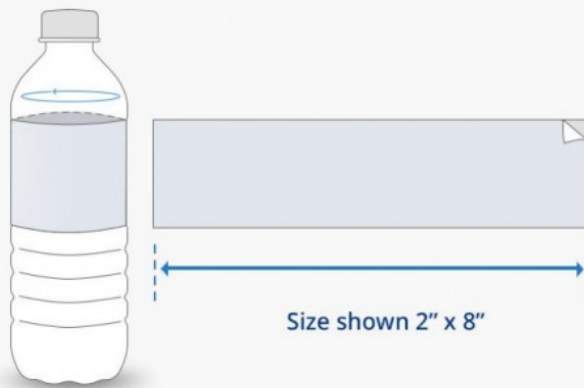

Multi-functional and durable  
Choose between singles & roll labels  
Self-adhesive sticks to practically any surface  
Different shapes & sizes available

### Types of Water Bottle Labels

A wide range of sizes is available to choose from for each of shape. Before you select the shape and size, make sure you know the shape and dimensions of the water bottle to which you'll be adhering your custom labels.

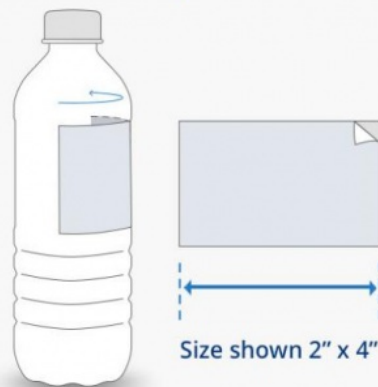

Measure the height of the area on the bottle where the label will be placed. Make sure it won't go over any ridge the surface should be flat.  
Measure the circumference of the bottle to determine the label width.

## Full Wrap Label

The label can wrap all the way around the bottle or just part of the way around—whatever you prefer.

## Half-Wrap Label

The most popular sizes for water bottle labels are **2" x 8.5" (length x width) for a full wrap** and **2" x 4" (length x width) for half wrap**
