### Different Box Styles and Materials of LED Lamp and Light Bulb Boxes

Refine Packaging offers custom box styles that suit your product's shape, size, and weight and match your marketing goals. You can count on us to supply everything from your stock LED packaging (no print) to your full-color custom **printed LED lamp and light bulb boxes with logo**.

Custom LED lamp and light bulb boxes with inserts come in a range of classic styles - the most common being the straight tuck end. This box style is super easy to assemble as it features a top and bottom that both tuck into the same side of the box.

Make your products stand out in-store or online with the custom box materials of your choice. Some of the most popular options for **custom lamp boxes with logo** include:

#### **Folding Cartons**

Our folding carton boxes are made of thin and flexible cardstock (mainly linen stock), which is best for medicine, soap, small cosmetics, sweets, and similar lightweight items

#### **Corrugated Packaging**

Corrugated boards are highly recommended for point-of-purchase (POP) displays. Corrugated cardboard and corrugated material can be small enough to fit on checkout countertops or large enough to place beside display shelves.

#### **Rigid Boxes**

Refine Packaging can help elevate your brand through design support and finishing that will make your box look giftable, whether it contains consumer electronics, a piece of jewelry, a set of chocolates, a perfume bottle, or a skincare pack.
