## 15 Page Count Spiral Hardcover Notebook with Embossed Technique

The Spiral Hardcover Notebook is a high-quality journal book printing option that offers both style and functionality. With a cover weight of 300gsm, this notebook provides a sturdy and durable exterior that can withstand everyday use. The elegant, vintage, and artistic style features make it a versatile choice for various purposes.

Designed with a one subject page layout, this notebook allows for focused note-taking and organization. Whether you are using it for work, school, or personal projects, the one subject layout provides a convenient way to keep all your notes in one place.

The closure type of this notebook is an elastic band, ensuring that your pages stay securely in place when not in use. This feature adds a touch of convenience and practicality to the notebook, making it easy to carry around without worrying about pages getting damaged or lost. Constructed with a hardcover material, this notebook offers added protection for your notes and sketches. The hardcover ensures that your pages stay safe from bends, tears, and spills, preserving your work for the long term.
