LED Light Packaging Box

Specially designed product packaging box created to present LED light products in an attractive and secure manner. Manufactured by a reputable factory with years of experience, this packaging combines durability, functionality, and aesthetic appeal for optimal product protection and presentation.

Key Features

- Durable construction designed for secure product packaging
- High-quality Kraft Paper inner coating for added protection
- Lightweight design weighing only 200 grams
- Custom order options available to meet specific requirements
- Ideal for dry product packaging environments

Technical Specifications

Parameter	Specification
Usage	Retail Product Packaging
Company Type	Factory
Maximum Load Capacity	5 Kg
Product Name	LED Light Packaging Box
Weight	200 Grams
Water Resistant	No
Custom Order	Accepted
Design	Customer's Specific Requirement
Inner Coating	Kraft Paper

Applications

Ideal for retail product packaging, particularly suited for LED lights, toys, electronics, and small gadgets. Perfect for retail stores, gift shops, and online businesses requiring reliable and attractive packaging solutions. The sturdy cardboard construction protects products from dust and minor impacts during handling and transit.

Customization Services

FSC certified packaging boxes with comprehensive customization options. Minimum order quantity of 500 units with supply capacity up to 500,000 pieces. Delivery time ranges from 10-15 days with flexible payment terms including T/T, Western Union, and PayPal.

Support and Services

Comprehensive assistance including packaging customization, material selection guidance, and durability testing. Expert support for optimizing box dimensions, design features, and printing options. After-sales service, troubleshooting advice, and warranty support available for all packaging solutions.

Note: While this packaging box is not water resistant, it provides excellent protection against dust, scratches, and minor impacts. Additional protective measures are recommended for products exposed to moisture or damp conditions.
